Again, some plush in between:)

„No".

„Jaaaammes!"

„Forget it! No way!"

„But it's my BIRTHDAY!"

Kirk was all dark pleading eyes.

"Jaaaaammes! You said I'd have a wish for free as my birthday present".

"I must have been outta my mind!" James groaned.

Kirk sniffed.

Then, he held out the plush bunny ears once more.

"Pleeeeaaase ... You promised".

James grabbed the bunny ears, growling.

"Fine. I'll wear the fuckers. But comes tomorrow I'll hunt down every fucking bunny on earth!"

"I'm ready".

Kirk turned.

"HUH!"

James naked!

Except the plush bunny ears, a grin - and a plush guitar!

"Your buck is ready to ram!"
